Emily Balance is a nationally recognized speaker, Emily brings her refreshing wit and understanding of people to every presentation. She has a unique ability to find humor in ordinary events and relate to all types of people without pretense.

Communication is a challenge in itself. Now consider working and communicating with different ages and generations; the chase is on! The pieces seem so disconnected, like they just don't fit. This seminar will help you...

- Discover the unique talents, struggles, defining events and motivators of each generation
- Learn how to understand and work with each group more effectively.
- Improve customer service, employee morale, productivity and profit
