

## Public Safety / EMS

The Public Safety/Emergency Services Department of Richmond Community College offers training programs for Fire Fighters, EMS Technicians, Paramedics, and Rescue Technicians. Courses provide instruction to meet certification requirements established by state agencies. Registration fees are waived for those affiliated with departments relevant to the training content.

The following are some of the specialized training programs that can be developed for a requesting agency:

- EMT
- Fire Service
- Blood Borne Pathogens
  - Burns
  - Head Injuries
  - OB/GYN
- Pediatric Emergencies
- Patient Assessment
  - Shock
- Extrication Packaging
  - CPR
